Check In Qld app – mandatory

- The use of the [Check In Qld app](#) is *mandatory* for weddings, funerals, and places of worship (only required if indoor) to provide increased contact tracing ability.
- Tell a door host or administration staff member immediately if you do not have a smartphone or have difficulties providing your information electronically. They will direct you to someone who can record your details for you, or they will direct you to alternative measures for recording your details.

The Check In Qld app is available from either the [Apple App Store](#) or [Google Play](#).

- You are required to 'Check-in' on arrival to church each week, including during the week for work, cleaning, maintenance, administration, etc. by scanning a QR code using your mobile phone, via the Check In Qld App.
(<https://www.covid19.qld.gov.au/check-in-qld>)
- Note that there is no requirement to 'Check-out'. Recording a check in time for people at a venue is the most important, reliable, and key information to enable contact tracers to focus their investigation. Contract tracing is more effective when based on the check in time as opposed to a check out time, which is more likely to be recorded inaccurately, or not at all, due to the difficulties involved in policing departures and ensuring people remember to check out at the precise time of their departure.
- There is a shortcut option in the App which means that you can check in without scanning the QR code.

To use this feature, click on the symbol in the top-right of the App screen and then select Brisbane Christian Fellowship from the 'Quick Check In' list.

For your reference, details about the eased restrictions and other relevant information applicable to all of Queensland are available on the Queensland Government website.

On behalf of the Presbytery and BCF,

Bruce Hamilton.

At the outset of the COVID-19 pandemic, Victor Hall received advice with respect to interfacing with the relevant authorities in matters pertaining to COVID restrictions. In his capacity as overseer, in relation to the presbytery, and as president of Brisbane Christian Fellowship Inc. (BCF), in relation to the executive of the management committee, he asked Bruce Hamilton to be the point of contact with the Queensland Government, on behalf of the presbytery and BCF.
